**GUIDELINES FOR PUBLIC COMMENTS**

The Board of Directors recognize the value of public comment on educational issues and encourages the public to attend meetings to listen to and observe its deliberation.

**Open Public Comment Period.** In order to permit fair and orderly expression of public comment, the Board will provide a period during the meeting for visitors to address the Board on any topic within the scope of the Board's responsibility. The Board may structure the public comment period, including determining the total time allotted for public comment and equally apportioning the minutes for each speaker. The Board is not obligated to provide additional public comment time to accommodate everyone in attendance who wishes to speak. Any structure the Board imposes will be content neutral. The Board may require those who wish to speak to sign in so that the Board has a tally of individuals who wish to speak and can call them forward.
