Reopening Plan Moving
Forward:*

Ben presented the Stages of Reopening – School Year 2020-21 graphic and reviewed the September 30th District Update sent to staff and families. The plan lists target dates for each grade band's arrival on campus. These dates are targets and could change. We have worked with NE Tri-County Health Department and neighboring districts. We have contracts to purchase additional personal protective equipment and cleaning supplies. This is a cautious, slow approach to get everyone back on campus. We are mindful of the social emotional needs of students and staff.

While the board has previously approved the VSD Reopening Plan, Ben is asking for board approval and support for this next stage of the reopening plan. Doug moved to approve the plan for moving from Stage 2 to Stage 3 and Stage 4, with an additional review at the time we are ready to move to Stage 5. Crystal seconded: motion carried unanimously.

There being no further business, the meeting adjourned at 5:50 p.m.

Signed this 18th day of November 2020.
